Dear Parent/Carer,

Re: Weekly Bulletin

As we approach the end of a very unusual week, I would like to share some thoughts.

As part of our community effort, we will try to develop some form of 'new normality' for our pupils. It has been great to hear that so many children have continued with their learning despite the sunny weather.

Could I remind you that **we expect all of our pupils to take part in the lessons** like any normal school day? This is intended to reduce a sense of boredom or frustration and establish a routine, which is so important to all of us as it improves our mood and feelings.

Please remember to telephone the school office by 10am if your child is unwell so we know they will not be taking part in lessons that day. No doubt, there will be some teething problems. If your child is not able to access the lessons/online material, please contact the school office. We are here to help!

Any photos of your child working at home/keeping fit etc. will be gratefully appreciated, as we want to keep all of our spirits high!

**I appeal to you to prevent your child from meeting friends and socialising in groups.** It is clear that the government need us to self-isolate for the sake of our loved ones and indeed the whole nation. **We must try our best to stay at home!**

Again, I assure you that we will be here for you throughout the period of school closure. You may just want a chat or inform us about how your child is dealing with the social distancing requirements in the fight against COVID-19; please call or email the school office.

I would like to thank all those staff who have provided support for the children of Key Workers this week. They have done an incredible job.

Please take care of yourselves and your loved ones.

Yours sincerely

*Simon Shaw*
