Friday 24<sup>th</sup> April 2020

Dear Parent/Carer,

Re: Weekly Bulletin

As we approach the end of the 6<sup>th</sup> week of school closer, I would like to share some more thoughts. I hope that you all enjoyed your Easter weekend and have been making the most of the fantastic weather. It is clear from the Government that there is still no dates for when the children will be returning to school. Please be reassured that we will be making every effort to consider all the issues when deciding how and when the children can return to school safely.

Over the Easter period the school has remained open for Key Workers. The number of key workers children has increased over the last few weeks. I would like to thank all those staff who have provided support for the children of Key Workers this week, they had a great time. They continue to do a fantastic job. On Monday, you should have received your children's learning packs. Remember these are just ideas that you can use with your children. If your children have shown interests and talents in other areas this is a great time for them to develop new skills and knowledge. Please remember that if you need any assistance you can contact the school and we will be happy to help. It has been great to hear from parents about the activities that the children have been taking part in. Any photos of your child working at home/keeping fit etc. are gratefully appreciated and enables us to share what the children have been learning.

Please remember to telephone the school office by 10am if your child is unwell so we know they will not be taking part in lessons that day. No doubt, there will be some teething problems. If your child is not able to access the lessons/online material or print the work out, please contact the school office. We are here to help!

I assure you that we will be here for you throughout the period of school closure. You may just want a chat to inform us about how your child is dealing with the social distancing requirements in the fight against COVID-19; please call or email the school office.

Please take care of yourselves and your loved ones.

Yours sincerely

*Simon Shaw*
