Dear Parent/Carer,  
Re: Weekly Bulletin

I hope that this letter finds you well and coping with the demands that the COVID-19 pandemic has presented us with.

Today marks the 75<sup>th</sup> Anniversary of VE day, which marks the end of the Second World War in Europe. Many thanks to all those children and parents who have coloured in the flags. They have been used to make bunting for the school. Many thanks to Miss Langan and Mrs Corcoran for arranging this. Many street parties will be held today throughout the country to mark this special occasion and songs sang. One of which springs to mind is very prevalent at this time, 'We will meet again don't know where don't know when, but we will meet again!'

It has been great to catch up with many of you and your children over the last few weeks. I have particularly enjoyed hearing how you have been coping with the challenges of home schooling. I realise that home learning has presented many demands on both children and parents alike. I have asked the staff to contact you to see if there is anything more that we can do to help. If your child is not able to access online lessons or print work out. Please contact the school office, we are here to help.

It is now clear that we have passed the critical point. On Sunday the Prime Minister will address the country and inform us about the easing of the current lockdown. This will give us a better indication about the practical issues that will need to be addressed when schools reopen. I would like to reiterate that as a school we have been considering how we will be able to operate and ensure the help and safety of pupils, parents and staff. A full LAC meeting is to be held on Wednesday of May to discuss these issues.

Please remember that we are always here if you need any assistance.

Take care of yourselves and your loved ones.

Yours sincerely

*Simon Shaw*
