Re::PHASED RETURN TO SCHOOL

Dear Parent/Carer,

Last night, the Department for Education published actions for education and childcare settings to prepare for wider opening from 1st June **and guidance for parents and carers on the opening of schools and other education settings to more children**. This guidance provides information on when and how education settings will open to more children.

The guidance can be found here:

- <https://www.gov.uk/government/publications/closure-of-educational-settings-information-for-parents-and-carers>

I would like to assure you that we are now preparing the school environment, routines and curriculum to be compliant with the directives set out by the government and can confirm that, unless circumstances change, school will be open for all nursery, reception and year 1 children from Monday June 1st 2020.

Yours sincerely

Simon Shaw
