Class 4 — Miss Barrow and Mrs Pope

## School News

**Remote Learning**- Once again I would like to thank all parents for all their efforts in supporting your child's Remote learning. We understand the difficulties that this presents. By working closely together we can ensure that your child's learning continues. Please remember if you need any support or a learning pack could you contact your child's teacher.

**Key Workers** - Due to the growing number of pupils returning to school please remember to contact the office if you are considering sending your child to school. Could I remind all parents that you need to provide evidence that you are a Key Worker. Please only send your child into school if you cannot arrange child care.

**Social Distancing** - All pupils and staff continue to carefully follow the social distancing procedures that have been implemented. Please could I remind parents not to congregate at the school gates and that only one parent drops off or picks up.

**Covid 19 Risk Assessment**—The new Covid-19 Risk assessment will be available on the school website in the near future.

**Facebook** -We have been working hard to continue to up date our Facebook page with videos and pictures of the children's Home and School learning. Please take a look at the site to receive the Headteacher's vlog and staff up dates.

**Illness**— Please remember that if your child is ill please do not send them to school.

**Reception Applications** —Please could I remind all Nursery parents that submissions for reception places should be submitted by the 15th January.

As always if you have any questions or concerns please do not hesitate to contact me. Stay safe and keep strong. S. Shaw

## Class 1 News

### Lockdown 3

What a turn around this last week. It has been a true honour to be part of a wonderful team to pull off what we managed this week! The first story on teams with children was a huge learning curve for us all! Hopefully this coming week it will grow from strength to strength.

This week we will be starting Dinosaurs and be spending the next 5 weeks on the topic. Something which I know I have many experts on!

Please let me know if I can help in any way on dojo or email me.  
Keep safe!

## Class 2 news

Well, what a funny old week it has been, yet it has been one of the most rewarding in my teaching career so far. Seeing how resilient all children in Class 2 have been to adapt their learning in these strange times was amazing.

May we take this opportunity to thank children and parents for all your hard work and patience this week, it has not gone unnoticed.

We are really looking forward to getting stuck in with our new topic, Africa, and seeing all the wonderful work the children produce.

Have a restful weekend, dojo if you have any questions and we will see you all next week!

## Class 3 News

*Your children are simply AMAZING! I cannot believe how well they have adapted to this new way of learning. May I also thank all of you, as without you, I could not have achieved such a successful first week. I truly believe that the children will thrive under this new Lockdown as it will teach them to be more independent than ever, continue to be educated by me (with your fantastic assistance) and at least this time they get to see their friends and continue to be part of a team.*

*Due to this new Lockdown I have had to re-jiggle the curriculum so next week we will be commencing our work on the Vikings. Everything the children will require is in the pack; the rest of it will be taught online by me—with your support hopefully. The children are more than welcome to start researching this topic.*

*Please do not hesitate to contact me if you need anything.*

*I am always available via email or Dojo.*

## Class 4 News

*Wow! How resilient are our children! They have begun online learning with such brilliant and positive attitudes and are so open and receptive to this new learning platform. All of Class 4 have done so well with learning how to use Teams; it has been lovely to see the children again and for them to be able to see their friends.*

*I am really looking forward to see how the children progress as they get more confident with using Teams, already they have made fantastic progress with using the new platform.*

*Next week, we will begin more structured learning and all the work needed can be found in the home learning packs.*

*Thank you all for your support this week. Please feel free to email or dojo me if you need anything.*
