

Church Eaton Primary School

Monday 8th February 2021

Headteacher Awards for this week are:

Class 1: Olivia for her beautiful song on her swing and Albie for his huge effort on his writing. Well done you two!

Class 2: Ethan for always working hard and Oscar A for brilliant English work.

Class 3: Hannah, Evelyn and Anopa for working extremely hard in all lessons.

Class 4: Arran for his enthusiasm in PE and Dominik for his fantastic work in Statistics.

School News:

Heart Bombing— We hope you like all the decorated hearts we have on display at school, we are joining with the villagers and the church in spreading love and kindness throughout Church Eaton during February by decorating the village and church yard with hearts. Please join in by making and displaying hearts in you gardens/windows or in the church yard to bring a bit of colour and cheer to the area.

Crested Schoolwear— The school uniform shop in Stafford has moved on to the High Street next to Ryman Stationery and Yum Yum Sweet Shop—this will be a 'bigger & better store—over 3x bigger with so much more choice'.

Attendance— It is very important that you let us know if your child is expected, but does not attend school, and also if your child is unable to attend remote learning. Please also inform the school of any Covid related isolations.

Key Workers- If you are a key worker and need you child to be in school please contact the school office and discuss attendance. Evidence is needed that you are a Key Worker such as a letter from your employer. Children should only be in school if you cannot arrange child care.

Learning From Home- Please make sure that all reading books are returned to school. Thank you once again to parents/carers for your help in supporting your child's remote learning. If you need any help/support please contact your child's teacher.

Social Distancing- All pupils and staff continue to carefully follow the social distancing procedures that have been implemented. Please could I remind parents not to congregate at the school gates and that only one parent drops off or picks up.

Illness— Please remember that if your child is ill please do not send them to school.
S. Shaw

Class 1 News

Heart Bombing!

This week has been all about 'expressing ourselves' as part of Children's Mental Health Week. We have talked about different ways we express ourselves, we have expressed ourselves through art work such as decorating Hearts for the village event of 'Heart Bombing'. Some children at home expressed themselves making up stories using their dinosaurs or blocks. Others were making up songs and dancing. It has been wonderful to see how the children have understood what expressing themselves can look like.

We have spent a lot of time on naming and describing shapes in Reception and Nursery have been looking at ordering length!

Next week we are learning about the festival of Chinese New Year!

Don't forget to get in touch with any problems on dojo or Teams or email.

Class 2 news

Another brilliant week has been had by all in Class 2, both in the key worker bubble, and at home. The children continue to work so wonderfully and are such dedicated learners.

Due to Children's mental health week, we have been focusing on thinking positively in our PSHE lessons. This week we thought about things that we are thankful for and how to be grateful for the things we have rather than the things we do not have.

The children were able to think about all the things in their lives that they are grateful for and what makes them feel lucky.

The children continue to impress both myself and Mrs Smith with their resilience and their dedication to their learning, it really is wonderful to see.

Take care, keep reading, and we will see you for another fun week next week!

Class 3 News

Never has there been a more apt time than right now for us to celebrate and learn about Safer Internet Day, which is taking place on Tuesday 9th February. I have sent you, via email, some activities to do as a family. I hope you find them useful.

You should all feel really proud of your achievements with Remote Learning. Thank you so much for joining me every day and for sending me a plethora of evidence so that I know how well the children are doing or what their next steps may be. Please take time over half term to really recuperate from this very intense and trying six weeks. Please do still encourage the children to read and practice their times-tables though as these are the cornerstones to their entire education. I hope the weather enables you all to be able to get outdoors as much as possible.

Happy Holidays everyone!

Please do not hesitate to contact me if you need anything.

I am always available via email or Dojo.

Class 4 News

I am really proud of the children and their dedication to their education this week. They have been working super hard in their English lessons, learning about myths and legends. They even had a go at creating their own, with fantastic results.

The children have also been working really hard on their statistics unit, even more so this week as we introduced pie charts with percentages. The children all showed how resilient they are and how much they have retained throughout this lockdown.

Well done to everyone this half term, you have all been excellent and faced all the challenges that have been thrown your way. Please have a well earned rest over half term and enjoy a wind down from all the remote learning. Happy half term!

Please feel free to email or dojo if you have any questions or queries.
