This leaflet will provide you with the information to support your child throughout the curriculum. The class timetable will not only enable you to provide the equipment and kit required during the week, but also provide you with the opportunity to enquire about their day at school. We hope that this is useful for you.

We thank you for your continual support of all that we do in school and for children's homework.

If you have any queries regarding the information in this booklet please speak to your child's class teacher or Mr Shaw.
