**School News:**

**Christmas Dinner**—Chartwells are providing our Christmas dinner on Wednesday; this will include roast turkey or roast vegetable & cranberry slice with lots of trimmings! Followed by winter berry eton mess muffin or sticky toffee pudding with custard! Please order in advance on ParentPay. Pupils can also wear a Christmas jumper with their school uniform on this day, please bring a £1 donation for F.A.C.E.S.

**Road/Parking Issues** - We have received complaints from our neighbours about the driving and parking by school at drop off and pick up times. PLEASE park on the Village Institute car park and walk the short distance to school; crossing over the road in front of school. This is much safer and causes less problems for everyone. DO NOT turn around in our neighbours drive ways.

**Covid** - Please do not send pupils into school if they are suffering with symptoms of Covid such as a high temperature, new continuous cough, loss or change in sense of taste or smell. Take regular lateral flow tests and book a PCR test. Please keep school informed.

**F.A.C.E.S.** - Don't forget to decorate a jar and a bauble and bring these into school on Monday at the latest to be included in the competition.

**Christmas Events**—Please note the following Christmas events:

Mon 6th Dec—Christmas decorate a tea-light for the Tree Festival at Bradley Church (50p donation)

Wed 8th Dec—Christmas Lunch and Christmas Jumper Day (please bring a £1 donation for F.A.C.E.S.)

Fri 10th Dec—F.A.C.E.S. Christmas Fair in school for pupils 2.00pm

Wed 15th Dec—Christmas Service at St. Editha's Church 2.00pm & 6.00pm

## Class 1 News

Well- its beginning to look a lot like Winter!! We were able to go on our first Winter walk this week and some of our children were lucky enough to build snowmen in their gardens! Thank you to those that uploaded onto Tapestry. I am busy compiling a list of possible suggestions of things that could be uploaded to help you with ideas!

The Chuckle project continues to grow from strength to strength and I am seeing a real impact in the room. The supported aspect of the programme is now complete and I will be taking over the new adventures! The children are so excited about where we might be going next. I will be soon sending you links/videos for the parent training aspect to the programme to help support at home. Please look out for these!

It is now time to bring in costumes for the school Nativity which continues to wow me! Thankyou for all of your support in all of the Christmas craft activities we have asked of you! I know for some of you this has been an immense undertaking!

Please don't hesitate to contact me with anything on dojo or email!

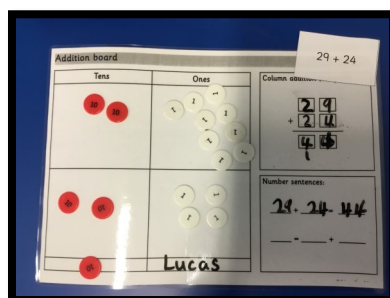

## Class 2 news

What a busy week we have had in Class 2!

In Maths this week, all the children have been working hard on subtraction. Year 1 have been finding the difference and Year 2 have been focusing on subtracting 2 digit numbers.

Class 2 have also begun to write their Big Write and I am so impressed with their work! We have also been working super hard in our nativity practise with Class 1! We have nearly mastered all our lines!

If you have any questions or queries please do not hesitate to contact me via Dojo or email.

## Class 3 News

Class 3 have had a really busy week of learning but one of my favourite moments was during RE where we were learning about Puja—the Hindu form of worship. The children had a go at meditating, performing Om and then learning about all the objects on the puja tray. We then wrote about puja and finished off with an interactive game of labelling the puja tray. It was great fun.

During English we created persuasive brochures about our school using all the techniques we have learnt through The Write Stuff. We ensured we used alliteration, rhetorical questions, imperative verbs, complex sentences, similes and exaggeration. The results were outstanding. Well done class 3.

If you have any questions or queries please do not hesitate to contact Miss Bryant via Dojo or email.

## Class 4 News

Class 4 have had a great week this week and have definitely got into the festive spirit.

As we step into December, Class 4 are learning about a variety of Christmas adverts and the meanings behind them. We started with 'The Christmas Truce' from 2014. The children have used this advert to create freeze-frames and have now started to write a letter!

Class 4 have also continued to work hard in PE with Steph, carrying on with their incredible gymnastic routines. I even popped in to see all their wonderful balances, I had no idea they were all so talented!

If you have any questions or queries please do not hesitate to contact me via Dojo or email.
