Class 1 News

This week has been a traveltastic experience! The children continue to enjoy the travel agents and the brochures you brought in has really helped the children with their learning! I have booked to go to Disneyland that many times. Moreover, they have started to make aeroplanes to get there!

Next week we will be continuing our project of the Big Wide World. Looking at children from around the World. It will be really interesting to see what they come up with. In Maths we will be looking at problem solving and continuing our work on calculation!

Any queries or questions don't hesitate to contact me via dojo or email.

Class 2 news

Another amazing week has been had in Class 2!

We have been very busy in Year 2 as we have started our KS1 SAT's. The children have worked so hard and enjoyed a special treat after each booklet.

For history, the children were surprised when our classroom was transformed into a Victorian school room. Our books and white board disappeared and were replaced with slate and chalk. Miss Barrow even had to write on a blackboard. The teachers were very strict and shouty! Miss Langan and Mr Shaw even joined in on our role play. We all had a lot of fun!

Next week, we are looking forward to continuing with our learning, focusing on fractions, sentence construction and the Victorian era.

Class 3 News
