## Class 1 News

Exciting times this week in Class 1. We have been growing our sun-flowers and learning about the parts of plants. We are really excited to see how much they grow over the next few weeks. Thankyou to Sharon, our janitor, for starting them off for us. We have been creating famous buildings from around the world and of course we have been practising Sports Day! The children have been so brave and enjoyed the practises we have held! At the time of writing this- I hope we all have fond memories of the event! The children have mastered subtraction and in writing we have been using amazing words in our sentence construction.

Reception have continued their transition. This week they joined Class 2 for a story and revelled in listening to new stories. Next week we are all so excited for the Boat trip and looking for different habitats along the canal side. We will be looking at patterns and shapes in Maths next week and find out about famous explorers and people that know about different plants.

Any queries or questions don't hesitate to contact me via dojo or email.

## Class 2 news

Class 2 have been SUPERSTARS this week! I am so proud of each and every one of them!

We started the week looking at our book Mrs Mole, I'm Home! By Jarvis and ended the week being fantastic story writers.

For our Geography topic, we went on a walk around the village in preparation for creating a map next week. The children looked at the land marks in the village and wrote down their ideas on a clipboard. To end the trip, we had lots of fun playing on the park. A special thanks to Mrs Beatie, Mrs Allen and Mrs J for their help.

If you have any questions or queries please do not hesitate to contact me via Dojo or email.

## Class 3 News

*We are absolutely loving our story The Leopard in the Golden Cage—we are about to have the part about the leopard revealed to us. So exciting!!!*

*In maths we have been learning about 2-D shapes and all the different types of triangles.*

*Year 4 completed their Multiplication Tables Check. I am so proud of them as they all did extremely well.*

*We had great fun practising for Sports Day. The best part was having a small sleep on the field prior to our sack race. We really hope you enjoyed*

*Sports Day as much as we did.*

*Wishing all the Dad's a very Happy Father's Day on Sunday.*

## Class 4 News

Class 4 have been amazing this week. They have all worked so hard on their writing and I am proud of them all.

In English, we have continued with our class book Percy Jackson and the Lightning Thief. The children have created their very own newspaper articles based on a scene from the book. I was impressed with the standard of work that they produced.

In maths, we have been working on ratio, which has proved to be quite tricky. However, the children have shown great determination and perseverance and should be proud of themselves.

If you have any questions or queries please do not hesitate to contact me via Dojo or email.
