Class 1 News

Well the children did not disappoint me this week. They were fabulous in their learning. They loved chasing shadows, making shadows and exploring reflections. We loved our new mirror and we practised taking photographs using a camera!

We have moved onto problem solving in Maths and the children are taking it in their stride! We will be continuing this theme through to next week as well.

Finally the dream catchers have been a huge success this week- we may have a few to finish!

Next week we will be completing our last project together. This project teaches children about water, including floating and sinking, freezing and melting, and why it is important for living things to stay hydrated. I am sure you agree with me that we have a class of Scientists!

Well done Class 1 for working so hard!

Any queries or questions don't hesitate to contact me via dojo or email.

Class 2 news

This week has been super busy. We have begun to practise for our talent show poems—Peas and On the Ning Nang Nong.

Next week we will be rehearsing for the talent show so please could you encourage your children to practise at home.

Linking to our Science trip, Animals, we have booked a Class 2 trip to Lower Drayton Farm Penkridge on Monday 18th July. Please can parents give their consent for their child to attend the trip via ParentPay by Friday 8th July. Please could parents let Miss Barrow know who will be taking and dropping off their child via Class Dojo.

If you have any questions or queries please do not hesitate to contact me via Dojo or email.

Class 3 News

This week saw us go on another school trip but this time we went to King Edward VI High School to watch their production of Annie.

It was outstanding and the children were engrossed. They were all singing the songs on the coach on the way back to school.

Next week we will be rehearsing for the talent show so please could you encourage your children to practise at home.

Please do not hesitate to contact me via email or dojo if you have any concerns.

Class 4 News

What a week it has been for Class 4 this week.

8 of Year 6 have all been adventurers this week and have survived 2 nights at Laches Wood Outdoor Education Centre. All the children, including myself and Mr Shaw took part in a range of activities including archery, canoeing, rock climbing and taking a leap of faith. All the children should be extremely proud of themselves and have earned a good rest over the weekend.

All the children back at school have been helping out in different classes, as well as going on an exciting trip to King Edward VI High School to see their production of Annie which sounded fantastic.

An amazing week has been had by all!

If you have any questions or queries please do not hesitate to contact me via Dojo or email.
