School News:

Uniform—There will be a slight tweak to what we are asking children to wear for school next year. We are asking that all children in all classes wear a shirt and tie as opposed to polo shirts and pinafore dresses. We feel that this will help make the uniform look more consistent and the children will look 'super smart' for school. Further details will follow next week following the meeting of The Local Academy Council.

Pupil Voice- We are encouraging all children to take a more active role in the decision making at the school and have introduced Solution Circles into our weekly timetable. Children meet three times a week to find solutions. So far, the circles have been really successful. For example, the Fundraising group will be selling strawberries to support the Eco group who are redesigning the eco area outside. The Curriculum group have made a significant contribution to our new curriculum. The Digital Leaders group have created and distributed online safety surveys and the Playleader group have been busy negotiating the terms and conditions for Pokeman and Football card swaps(!) and sampling items from the new school menu.

Transition Week 2023—This year we are carrying out a transition week. All of the children will move up to their next class for the whole week from 17th July 2023. This will give the children time to meet their new classmates and class teacher. This will help the children to feel calmer when they return in September. In early September there will be an opportunity for you to meet your new class teacher as we are holding an open morning in which you will be able to spend time with your child in their new class. (Dates to follow).

F@CES News:

F@CES Summer Raffle— We are gathering lots of wonderful prizes for an end of year raffle which will be drawn at the end of year show. We will be sending home raffle tickets to purchase as we have done previously. You can buy as many as you would like. It will be a pound a strip. There will be instructions on the envelope on how to purchase them.

Children's tea towel. The children have been busy drawing themselves for a school tea towel. The link is live now. You should have received a letter with the code to be able to purchase a tea towel. The money raised will help go towards activities in school such as renovating the forest school area, garden area, school trips and many other activities planned.
