**Parent Open Morning**—There will be a opportunity for you to meet your new teacher on the morning of THURSDAY 21st September when parents will join children in their new classes to create work for displays around school. There will also be an introduction to solution circles.

**Transition Week 2023**—This year we are carrying out a transition week. All of the children will move up to their next class for the whole of next week. This will give the children time to meet their new classmates and class teacher. This will help the children to feel calmer when they return in September. On Monday, the children will go into class normally but then after Circles will join their new classrooms. At the end of the day, if your child has moved up to Year 3 they will leave from Upper School exit. Everyone else will be as normal. Then for the rest of the week the children will come and leave school from those entrances and exits. Class dojos will be changed into the new groups too.
