School News:

It has been decided not to send a newsletter out every week from now on as a lot of the information is sent out by Dojo message as well.

CENSUS— Thursday is Census day in school and it is very important that our pupils have a school meal on this day as this really helps our funding. Please encourage all pupils to have some pizza on Thursday, especially children entitled to a free school meal. All pupils in Reception and Years 1 & 2 are entitled to free school meals every day as well as children entitled to pupil premium. The menu for Thursday has been sent out by Dojo. Please order this in advance on ParentPay.

Parking— Please park on the village Institute car park when picking up and dropping off. DO NOT park on the yellow zig-zag lines outside school or on the pavement please.

Uniform— We are very pleased with how smart our pupils look in their school uniform. Please remember to put names in clothing and always wear a tie!

Netball— Stafford Netball Club are looking for new players. Year 5/6 practice is on Thursdays 5-6pm. Please email: snc-memberships@outlook.com for more information.

Harvest Auction— The Church and Institute are holding the annual Harvest Auction in the Royal Oak pub in Church Eaton on Saturday 21st October. They have kindly offered for school to benefit from the auction, and will make a donation for the children to have something extra. It is hoped that the school community will be involved on the night and provide produce for the auction. This is a great opportunity for the community to work together. Please support this event by donating produce and/or attending the auction.

Gardening— Have you got a spare hour or two to help with the gardening at the front of school? If so please contact the school office.

Vacancy— There is a vacancy for an Out of School Supervisor to work on a casual basis in our Before and After school club. If you are interested in this position, please contact the school office.

F@CES News:

Meeting— Thank you to all who came along to the meeting this week. It was a very productive meeting and it was nice to see so many people joining in. There are some exciting events planned.

D. Baker (Acting Head)
