**Solution Circle Update**— The children in the lunchtime solution circle have been making great suggestions for improvements. A meeting has been arranged for Monday with the catering company and some of the pupils are going to come along and voice their opinions.

**Cutlery**— If you are sending your child with a yoghurt or something that needs a spoon at dinner time please don't forget to provide it. Some of the cutlery in school has gone missing; so if your child has borrowed a spoon or fork please return it!

### F@CES News

**Christmas Fair**- Our Christmas Fayre will be held on Thursday 7th December from 3.30pm until 6pm. We are planning to use the event to raise funds for a new Outdoor Learning Project which we are developing with Staffordshire University. F@CES, our PTFA, are looking for helpers to run stalls at the event, and the more stalls we have the more money we will raise! If you are interested and able to help on a stall, please Dojo Miss Langan.

**Redeveloping our outdoor education**—We are thrilled to be the catalyst for developing the outdoor education opportunities for the children. We have used some of the money that has been raised to start an exciting joint project with SUAT and the Staffordshire University. The project is largescale and will have a long lasting positive legacy for all our children as well as the local community to benefit from. We hope to see the pond area being used safely and staff to be trained in aspects of outdoor education. Watch this space for further information.
