

Safeguarding Team and Training 24-25

At Church Eaton Primary School, we keep children safe and protect them. All children should feel safe and happy at school and our staff are trained to protect you from risk of harm in and outside of school or online. We provide a safe environment where we look after you, help you to learn and develop, so you can achieve your full potential.

Safeguarding means that school staff should:

- Protect you from harm
- Make sure nothing stops you from being healthy
- Make sure you are safely looked after
- Make sure you have the best life chances and can grow up happy and successful

How will we try to protect you?

- We will provide a safe environment for you to learn in and progress
- We help to remain safe at home as well as at school
- We think it is important for you to know where to get help if you are worried or unhappy about something

Need to talk?

We know that sometimes adults or other children can hurt you. We want to make sure you know how to get help if you need to.

Our Designated Safeguarding Lead (DSL) is Miss Barrow

Our Deputy Designated Safeguarding Leads (DDSLs) are Mr Baker and Miss Langan
