

Church Eaton Primary School PE and Sports Premium Strategy – Academic Year 2023-2024

The school received a total of **£16,710** in this academic year.

In setting the strategy, the school considered the five key indicators that schools should expect to see improvement across, as defined by the Department for Education. We have considered the following factors in deciding how we have allocated the funding.

- The proportion of Year 6 children who were overweight or living with obesity (43%) is statistically like other schools across England (34%). 35% of Year 6 children were overweight or living with obesity in Staffordshire local authority. We want this to be lower
- Church Eaton is in a rural setting with limited access to larger towns and sports clubs. By providing high quality Pe lessons led by a Sports coach who will then train other staff and improving subject knowledge it will support achieving school targets of lowering obesity and increasing range of attendance at sports clubs inside and outside of school

	Estimated Cost
Indicator1: The engagement of all pupils in regular physical activity - the Chief Medical Officer guidelines recommend that all children and young people aged 5 to 18 engage in at least 60 minutes of physical activity a day, of which 30 minutes should be in school. T	
Activities: <ul style="list-style-type: none"> • 5 x 1 hour per week to be run by a play supervisor during the whole year at lunchtime • Children to be trained as Sports Leaders via solution circles to lead games for children across the school • Purchase of additional resources for indoor and outdoor PE and Play • New school catering service promoting healthy eating 	£4000
<u>Target- Obesity levels will be below national and county</u> Evaluation/ Impact. <ul style="list-style-type: none"> • Children happy with increased range of activities across the school. Average score out of 5 for children – 4.1 April 24 • Children completed run to Paris to raise funds for Cancer research- 100% of school children participated • Children led games but5 this needs to be formalised This was recognised as a strength by Ofsted April 24 • Number of children participating in activities increased . For example: 78% of Pupil premium children attend clubs led by Play Supervisor . Average number at After School Club 18 (22-23 -8) • Awaiting obesity data for end of year 	
Indicator 3: Increased confidence, knowledge, and skills of all staff in teaching PE and sport.	
Why this is important?	

How will this be measured? Impact of staff training will be measured by pupil satisfaction interviews.	
Activities: <ul style="list-style-type: none"> PE leader to attend CPD (Continuing Professional Development) sessions and lead staff training Training courses for teachers and other staff to increase confidence. Audit completed on staff needs New Sports coach employed to lead training for staff and pupil sports leaders and develop outdoor area (including outdoor and adventurous) 	£11,000
Evaluation. Sports lead left school. Budget realigned for hlta who completes a similar role. Training needs to be extended. Initiative has not been as successful. Focus adapted to working with Education Children Outdoors Charity- Focus to increase connectivity with nature	
Indicator 4: Broader experience of a range of sports and activities offered to all pupils.	
Activities: <ul style="list-style-type: none"> Additional school activities to be offered to all pupils– opportunity for children to take part in a sporting activity daily in school and in after school club Resources provided to expand range of after school clubs on offer 	£750
Target/ Evaluatuon <ul style="list-style-type: none"> Currently 81 % of children happy with range of activities on offer at lunchtime/ after school club. Raise to 90% Attendance at paid sporting clubs at least 80- % capacity <p><u>Evaluation-</u> Increased range of before and after school clubs</p>	
Indicator 5: Increased participation in competitive sport.	
Activities: <ul style="list-style-type: none"> Attend Inter School Games events Transport and supply cover for accompanying teacher to competitions with other schools. Increase links with local rugby (Autumn) and cricket club (Spring) running taster sessions. (Spring) 	£1000
Target: <ul style="list-style-type: none"> All children in years 2- 6 get the opportunity to attend taster sessions run by the local cricket/ rugby club All children in years 2- 6 get the opportunity to compete in a sporting event against another school <p>Evaluation School joined local sports organisation Sports sessions by badminton and rugby but needs to expand.</p>	
Total Estimated Cost	£16,715

Swimming Update

Meeting National Curriculum requirements for swimming and water safety.

Priority should always be given to ensuring that pupils can perform safe self-rescue even if they do not fully meet the first two requirements of the National Curriculum programme of study

Baseline: Swimming Review July 23

% of Year 6 pupils can:

- Swim, competently, confidently and proficiently over a distance of at least 25 metres
- Use a range of strokes effectively
- Perform safe self-rescue in different water-based situations

2024 update

<u>Question</u>	<u>Stats:</u>	<u>Further context</u> <u>Relative to local challenges</u>
What percentage of the 2023-2024 Year 6 cohort can swim competently, confidently and proficiently over a distance of at least 25 metres?	73%	<i>Transport significant issue for 23-24. School has addressed budget and travel concerns and additional swimming lessons will take place from Sep 24</i>
What percentage of the 2023-2024 Year 6 cohort can use a range of strokes effectively [for example, front crawl, backstroke, and breaststroke]?	73%
