Our Text:

The Iron Man
by Ted Hughes

Our GPS:

Use of possessive apostrophe

Our Final Written Outcome:

Diary entry

Science

Making connections: How does wind force affect seed dispersal?

In Science, children will investigate how wind force affects seed dispersal and explore how plants adapt to spread their seeds effectively. They will develop their scientific enquiry skills by making observations, testing ideas, and drawing connections from their investigations.

Class 3

Learning Overview Block 6

PE **Cricket**

Music

Samba and Carnival Sounds.

In Music, children will learn about samba music and how percussion is used in Brazilian Carnival celebrations. They will develop their rhythm and performance skills.

RE

Does the language of scripture matter?

Exploring the ancient and translated languages of scripture and investigating their importance to many believers today.

Maths

Mass and Capacity

- Measure mass in kilograms and grams
- Equivalent masses
- Compare mass
- Add and subtract mass
- Measure capacity and volume in millilitres and litres
- Equivalent capacities and volumes
- Compare capacity and volume
- Add and subtract capacity and volume

Time

- Tell the time to 5 minutes
- Tell the time to the minute
- Read time of a digital clock
- Use a.m. and p.m.
- Convert between analogue and digital times
- Hours, minutes and seconds

Decimals

- Tenths as fractions
- Tenths as decimals
- Tenths on a place value chart
- Tenths on a number line
- Hundredths as fractions
- Hundredths as decimals
- Halves and quarters as decimals
- Compare and order decimals
- Round to the nearest whole number
- Divide a number by 10
- Divide a number by 100

PSHE

Transition

In PSHE, children will reflect on their achievements and explore how setting goals can help them succeed in the future. They will also learn about change as a natural part of life and develop strategies to help them manage transitions with confidence.

DT

Electrical Systems - Torches

In DT, children will investigate how electrical systems are used in everyday torches by evaluating a range of existing products. They will then design and create a functional torch for a specific target audience, developing their problem-solving and design skills.

History

What changed in Britain after the Anglo-Saxon invasion?

In History, children will learn about the Anglo-Saxons and explore how life in Britain changed after the Romans left. They will investigate settlements, beliefs, artefacts, and invasions, while developing their skills in making inferences and understanding historical change and continuity.

French

Gourmet Tour of France

In French, children will develop their speaking, listening, reading, and vocabulary skills through songs, rhymes, conversations, and short texts. They will also explore French culture and traditions, including festivals and food, while learning strategies to help them understand unfamiliar language.

Guided Reading

- Arctic Ocean/Atlantic Ocean
- The Royal Escape/Escape the Fire
- Stoke on Trent/The River Nile and the River Trent

Computing

Skills Showcase HTML

In Computing, children will learn how websites are created by exploring the role of HTML in web pages. They will use the inspect tool to edit text and images, helping them understand how web content can be changed and presented digitally.

```
<!DOCTYPE html PUBLIC "-//W3C//DTD XHTML 1.0 Transitional//EN" "http://www.w3.org/TR/xhtml1/DTD/xhtml1-transitional.dtd">
<head>
<title>web site</title>
<meta http-equiv="Content-Type" content="text/html; charset=utf-8" />
<meta name="keywords" content="" />
<meta name="description" content="" />
<meta name="language" content="en" />
<link rel="stylesheet" type="text/css" href="" />
<link rel="shortcut icon" type="image/x-icon" href="" />
</head>
<body style="background-color: #ffffff;">
```

Spelling

- Prefixes: un-, re-, dis-, mis-
- Suffixes: -ly, -ful, -less
- Root word families
