

Class 1

Learning Overview

Block 6

Literacy

Reading

We will be reading traditional tales and seasonal stories.

Mark making and letter formation.

Reception will be continuing working on letter formation.

Rising 3/Nursery will continue working on prewriting shapes, patterning and name writing.

Writing Reception will be writing simple sentences using their phonics.

R3/Nursery will be working on oral sentence composition and mastering their name.

Understanding the World

The Natural World

Science

Recognising changes outside in summer and exploring natural habitats. We will be revisiting our learning on sound, light and dark and edible plants. We will be exploring salad plants. The children will be making a rainbow salad.

Computing

Introduction to data

We will sort and categorise data and explore simple branching databases and simple pictograms. Reception will be continuing to practise logging onto the computer network.

Personal Social and Emotional Development

Building Relationships- My Family and Friends

We will be learning how to look after their wellbeing through exercise, meditation, a balanced diet and care for themselves.

Expressive Arts and Design Music

Big Band

We will be learning about what makes a musical instrument, the four different groups of musical instruments, following a beat using an untuned instrument and performing a practised song to a small audience.

Understanding the World

People, Communities and Countries

RE -Why are some things special?

We will be exploring special things, discussing what is special to them and why prayer beads, symbols, books and candles can be special to others.

Expressive Arts and Design Art

Lets Get Crafty

Developing cutting, threading, joining and folding skills through fun, creative craft projects.

Expressive Arts and Design

Design and Technology

We will explore what is meant by 'waterproof,' 'floating,' and 'sinking,' then experiment and make predictions with various materials to carry out a series of tests. The children will then use this knowledge to create their own boat.

Mathematical Development

Rising 3 Continuing to work on numbers to 3, playing games and simple patterns.

Nursery Develop our understanding of numbers to 5, playing dice games and developing understanding in shape, space and measure.

Reception We will be continuing to work on early calculation skills, exploring sharing and grouping and patterning. We will begin to work on simple problem solving.

Physical Development

PE Aiming and Scoring

We will be carrying out different activities to improve our aiming and developing simple scoring.

Phonics

Rising 3 and Nursery

We will continue on their Phase 1 journey focusing in on rhyming, counting syllables and hearing the all of the sounds in simple CVC words.

Reception

Reception will be continuing to consolidate sounds, previously taught sounds and using them with consonant blends.
